University of Virginia College of Arts and Sciences
and
Virginia Community College System

The Rector and Visitors of the University of Virginia (“University”) is pleased to guarantee the admission of Virginia Community College System (“VCCS”) students according to the terms of this Guaranteed Admission Agreement (“Agreement”). VCCS students who do not meet the terms described herein may still apply and will be considered for admission, although admission is not guaranteed. Effective as of the date of signature by both parties, this Agreement supersedes and replaces in its entirety the prior agreement between the parties executed March 18, 2008.

The University agrees to guarantee fall admission to the **College of Arts and Sciences** for a VCCS student who fulfills all of the steps described below.

Students who do not meet these criteria may apply to the University for regular first-year admission and will be considered on an equal basis with other applicants for admission as first-year students. Students earning an associate’s degree prior to or concurrent with completion of a secondary-level curriculum are not eligible for admission under this Agreement.
- Earns a minimum of at least 54 transferable credits,² 45 or more of which are from the VCCS. This minimum may include dual enrollment credit, but not AP or IB credit. The University will evaluate AP and IB credit for an admitted student and award credit based on policies in place at the time the student enrolls.³
- Satisfies all competency and area requirements of the College of Arts and Sciences as specified in Section II.

¹ See www.schev.edu/Students/GeneralStudiesWebText.pdf for general studies associate degrees recognized under the State Policy on College Transfer.

- Earns a grade of C or better in every postsecondary course taken, with the exception that the grade in ENG 111 (College Composition I) and ENG 112 (College Composition II) must be a B or better, provided the courses were not taken as dual enrollment courses. If the courses were dual enrollment, then the student must take ENG 210 (Advanced Composition) and receive a grade of B or better.
 - Students earning a grade lower than a C in any postsecondary course or a grade of C or lower in ENG 111 (College Composition I) or ENG 112 (College Composition II) are not eligible for admission under this Agreement, even if such course is repeated and results in a higher grade.
