Here are a few things for you and your family to consider when comparing the Federal Direct Student Loan to a private/alternative student loan:

1. There is no co-signer/credit check with the Federal Direct Student Loan.
2. The current interest rate for 2023-2024 (which is not a variable interest rate) is currently 5.50%.
3. Interest rates are released July 1st every year and run until June 30th the following year.
4. The Federal Direct Student Loan program has a death and disability clause that many private lenders do not have.
5. Federal Direct Student Loans are eligible for Consolidation.

The repayment period does not begin until 6 months after you stop attending at least half time (6 credits at GCC). If after considering all of the above, you still wish to proceed with an Alternative/Private Student Loan, please sign below and return to the Financial Aid Office.
