Letter from the President

Welcome to Germanna Community College where the needs of learners and of the communities we serve drive our mission and daily work. For over thirty-five years, Germanna faculty and staff have continued to provide quality education, training, and services to the citizens of Caroline, Culpeper, King George, Madison, Orange, Spotsylvania, and Stafford Counties and the City of Fredericksburg. We do that one learner at a time, offering a personal education in an atmosphere of challenge and support. Germanna Community College graduates are ready for work in the global economy and for a life as effective citizens and lifelong learners in their local communities.

Germanna offers over thirty programs in transfer and career and technical areas of study at the Locust Grove Campus, the Fredericksburg Area Campus, and the Culpeper Center for Advanced Technology as well as through internet-delivery. Classes are small and taught by well-qualified faculty. At Germanna, you know your teachers and they know you. We hope you will take advantage of opportunities to join organizations, participate in cultural programs, and enjoy an invaluable experience at the College.

We are pleased you have chosen Germanna Community College, and I wish to add my congratulations and best wishes as you participate in the life of learning at a premier community college. I also look forward to opportunities to hear from you during open forums, through email, or direct communication as we plan the next thirty-five years at Germanna Community College. Thank you for making Germanna your college of choice.

Sincerely,

David A. Sam
