

# University of Virginia

## School of Engineering and Applied Sciences (SEAS)

### Profile:

UVA's 2,000+ Engineering and Applied Sciences undergraduates are enrolled in 10 engineering programs: Aerospace, Biomedical, Chemical, Civil & Environmental, Computer Engineering, Computer Science, Electrical & Computer Engineering, Engineering Science, Mechanical, and Systems & Information Engineering. In 2008, the School of Engineering was ranked 28<sup>th</sup> by U.S. News & World Report.

### Guaranteed Admission Requirements:

Complete an A.S. degree in Engineering from GCC. Achieve a 3.4 GPA. Earn a C or better with the exception of ENG 111 and all Calculus, Physics, and Chemistry courses which require a B or better. Enter as third-year student. Students may also complete an A.A.& S. in Science or General Studies. However, students who complete the A.S. in Engineering may reduce the number of required courses taken at UVA. SEAS requires 128 credits to graduate.

### Application Deadline:

March 1

(Transfer students to SEAS are accepted for admission to the Fall semester only).

### Application Fee:

\$60.00

### Application for Admission:

<http://www.virginia.edu/undergradadmission/admission.html>

[Click on "I Am A..." for specific transfer student information. UVA exclusively accepts the Common Application for transfer admission. List your choice of undergraduate Engineering on the UVA Supplement. Submit online. The College Official Report and Instructor Evaluation are not required for transfer students.
