# PearsonVUE IT Certification Testing Services

## About PearsonVUE . . .

PearsonVUE provides electronic testing to enhance the performance, reliability and security of high-stakes testing programs.

PearsonVUE test centers administer millions of licensing, certification and admissions exams each year through the use of public and private testing sites.

## Why Get IT Certified?

**Numerous recent studies and surveys show that: IT Certification:**

*...demonstrates your expertise and gets you the recognition your skills deserve.*

*...proves you are proficient on the latest technology.*

*...often means you have the best access to technical support.*

*...contributes to customer satisfaction*

*...can mean higher salaries and better job offers.*

## GCC PearsonVUE Testing

Germanna Community College is a public PearsonVUE test site. The test center follows the college's academic calendar, operating from September through May. Testing is available weekly at the **Fredericksburg Area Campus in Spotsylvania** on alternate Mondays from 10am-3pm and at the **Daniel Technology Center in Culpeper** on alternate Wednesdays from 9am-2pm.

The Testing Centers can accommodate multiple PearsonVUE test candidates at one time. Certified Test Administrators proctor scheduled exams for registered candidates in a secure, quiet and controlled test environment.

## Test Preparation

Germanna also offer preparatory classes for the following tests:

- CISCO CCNA
- CompTIA A+
- Adobe software

For more information please contact us or visit our website.

Center for Workforce &  
Community Education

## Registration

All exam scheduling and registration is done online through the PearsonVUE website.

***[www.pearsonvue.com](http://www.pearsonvue.com)***

Also ask about our **MCAS, MOS (Microsoft) and IC3** testing through Certiport testing services.

## For More Information

The PearsonVUE testing centers at Germanna operate on a part-time basis with limited testing hours. To learn more about our testing centers please visit our Testing Services page online at [www.germanna.edu/workforce](http://www.germanna.edu/workforce) under Business & Careers. You may also contact Christy Davis at [cdavis@germanna.edu](mailto:cdavis@germanna.edu) or call (540)834-1037 for more information.
