

Pharmacy Technician Continuing Education

PHARMACY TECHNICIAN CONTINUING EDUCATION

\$69

NEW! This board-certified program is intended for all certified pharmacy technicians, including those recently licensed and those who have been practicing for many years. It provides four hours of continuing education and is designed to update the pharmacy technician with information that will impact their knowledge base if working in retail, hospital, or another pharmacy setting. Topics include: changes in pharmacy law, new medications approved by the FDA, and the top 50 medications prescribed in the United States.

Instructor for both classes: Larry Alston, RPh, MBA
